Council Discusses Additional Space For Curling Club

Council committee of the whole, meeting October 9 discussed a written request from the St. Albert Curling Club for exterior painting at an estimated \$1,075. The letter from President J. R. Jeffries also pointed out that the club is operating practically at capacity this season, and that parking also may become a problem.

Mr. Beedle noted that half the arches have been done, but there is quite a bit yet to do and the work is needed immediately, and further that the roof will have to be replaced, which item will be put in the budget.

Coun. Hudson moved that the letter be referred to budget study and that staff prepare a report on what is needed.

Coun. de Bruijn said he questioned the report — "buildings should all be in the budget." Coun. Bakker said he would like to discuss the agreement of the town with the curling club and Coun. Fyfe asked about possible expansion of the facilities.

"The club is merely bringing to the attention of council the fact they are taxed to the maximum," said Coun. Hudson. The club has no ability to raise funds

for another building, but council might consider expanding under an arrangement similar to the existing one. "Enlarging, or a new building?" asked Coun. Fyfe.

"Likely another build-

ing," said Coun. Hudson, "but I'm not sure, which is why I moved the motion to budget study." Coun. Lukay said that if the monies are not recoverable he wanted to know before voting. "There is a definite ag-

reement with the curling club that the town maintains the buildings," said Mayor Gibbon. "The club has done a dandy job and the maximum we have put in is under \$4,000. We have had an ex-

Snowmobile By-law Again Before Council

Town council considered changes to the present by-law governing snowmobiles and off-highway vehicles at their regular meeting Monday night, when Mr. Sully and another representative of Brownlee and Fryett law firm, and Dr. Eldor Thomas of the Snowmobile Advisory Committee were present for their appointment.

Councillors had before them bylaw 7/73, now in effect, a proposed model by-law prepared by the Snowmobile Advisory Committee and bylaw 44/73 which received first reading on Oct. 15. Earlier in the evening Mr. Sully had discussed possible changes in the new bylaw with Mr. Gordon Goodman, president of the St.

Albert Safety Council, who is in hospital and with Sgt. Rheault of the RCMP detachment.

"I can understand why council had some difficulty with the original draft bylaw in February, said Mr. Sully, adding that he had heard nothing further until a phone call from council with reference to a letter sent Brownlee, Fryett in July, which apparently was not received. After getting the letter Mr. Sully felt that council's instructions were rather brief and got in touch with secretary-treasurer, Mr. Bowen.

"We had some difficulties," he said "and my discussions with Mr. Bowen differed from those I had with Mr. Goodman. There

was a document on what council wanted which I did not receive." He further noted that both he and Mr. Goodman had indicated to council that they had some concerns on the model by-law. He suggested re-drafting the town bylaw.

Before re-drafting, Mr. Sully wanted clarification on council's wishes, and a definition of 'designated' lands on which snowmobiles are to be prohibited.

Dr. Thomas asked if snowmobiles were prohibited within town corporate limits, would it be illegal for him to start up his machine on his private property, providing he did not contravene the noise bylaw. The mayor felt the original bylaw was to prohibit snowmobiles from parks and school grounds, and that Mr. Sully would not want private property included in this clause. Mr. Goodman said "they should be prohibited on any

Barry Learning, chairman of the H.C.V. Movers has just sold a 'Spook Insurance Policy' to Mayor Ray Gibbon. This \$1 policy covers a residence or place of business against Halloween Spooks during the night of October 31. If you are insured and your property gets the egging or soaping treatment on Halloween Night, The Movers will clean up the mess as part of their insurance agreement. Be sure you get your insurance before October 31 by calling Barry or anyone of the Movers. Last year this enterprising group of young citizens sold 160 policies.

Rodeo Queen To Attend Kin Skate-a-thon

Rodeo Queen Shirley Le-moignan is to be in attendance at the Kinsmen skate-a-thon which goes on Sunday October 28 from 10 a.m. until 4 p.m. in the St. Albert Arena.

Shirley will accompany Lt. Governor Grant MacEwan, Mayor Ray Gibbon, Alderman Dave Ward, Roger Bourbonnais and Kinsmen President Barry Welsh on the first lap of the arena when they will be joined by the skaters aged eight years and under.

MLA Ernie Jamison is understood to be practicing up a new cheerleaders 'yell' for Mayor Gibbon, who has a record of turning in pledge cards with some of the largest individual amounts for skate-a-thons over the years.

Pledge cards have been distributed to all the schools

and have also been available at Kinecema, however should any child still wish to participate and he or she has not been able to obtain a card they can still be obtained from the St. Albert Sportsshop.

The Kinsmen Service Projects Committee is now considering a new major service project and it is hoped that an announcement in this regard will be made very shortly. Whatever is decided you may be certain that the community's greatest need is the prime consideration. This is why we

Chamber Seeks Citizen of Year

November 10th is the deadline and the St. Albert and District Chamber of Commerce is presently receiving nominations for its Citizen of the Year award. They are asking for the help of local organizations and individuals, in finding men and women whose achievements as good citizens make them deserving of public recognition.

Such a person might be a member of a group or an individual known for his fine citizenship record.

Your nomination should be made in writing, with pertinent information given as concisely as possible to: The Chairman, Citizen of the Year Award, St. Albert and District Chamber of Commerce, 5 Gladstone Cres., St. Albert, Alta.

Head table guests attending the Midnight Twilight Tourist Association annual meeting in St. Albert Inn Monday night at the closing banquet. Left to right: Hon. Allen Adair, Hon. Robert Dowling who gave the keynote address, M.T.T.A. Immediate-Past President Robert Armstrong, Athabasca, Ernie Jamison, St. Albert M.L.A. and Sam Shapiro, owner of the St. Albert Inn who also gave a short talk to the distinguished guests and delegates.

Poll Shows Little Support For Annexation Plan

When results of the telephone poll conducted by Jim Robert of Radio Station CFRN were summarized the verdict of the people called indicated little support for the 'Pink Report' proposal of the City of Edmonton for a massive annexation of land around the city.

In all Jim arranged 291 calls, 137 outside the present boundaries and 154 within Edmonton.

In St. Albert out of 56 people called, 49 did not want the annexation, and seven were in favour of it.

In Sherwood Park out of 49 people called, only one favoured the annexation.

In neighboring counties 32 people were telephoned, with 31 against the annexation proposal and only one in favour.

In Edmonton out of a total of 154 persons called, 123 were not in favour and 31 would like to see the annexation proposal go through. Percentage-wise 86 per cent of all those called did NOT favour the annexation plan, and for St. Albert 87 per cent were not in favour.

Canada is one of the 20 rich countries of the world able to supplement developing nations' own resources with know-how and material. The government body responsible for running Canada's assistance program is the Canadian International Development Agency (CIDA) whose budget for the 1973-74 fiscal year is \$665 million. Here we see a little boy in Ecuador enjoying the benefits of one of hundreds of community water pumps installed through CIDA funding. This year, United Nations Day is celebrated October 24 and coincides with World Development Information Day. International experts will mark the day at the U.N. while seminars, meetings and other activities will be organized across Canada.

additional space

Continued from page 1.

cellent recreation facility for years under the agreement with this club - and we are niggling over \$2,000. And we SHOULD investigate a minimum of six additional sheets," he added.

The mayor moved that council arrange a meeting with the curling club to discuss additional space. Coun. Bakker moved an amendment that the discussion include "And rent." "The club does not have a great deal of money," said Coun. Hud-

son - "we must borrow each year to get underway. But we would consider expanded facilities under an agreement such as we had for this one - it would be most exciting."

"When the club was taken over by the town in 1956 it was not in a very healthy situation. Also interest rates were low - and I believe over 20 years," said Coun. Bakker. "With major repairs due, and 98 per cent occupancy, we have a tot-

ally different situation now. I appreciate what the club is doing but their rent should be increased," he concluded.

Council should keep in mind, said Coun. Hudson, that under the agreement the town maintains the outside and the club the interior. About \$12 - \$14,000 has been spent by the club on the interior, by floating loans. As capacity increases so do costs of operation and staff costs. I urge that Coun. Bakker's recommendation be defeated, he said.

I agree, said the mayor. We have a set agreement. And we have to put something into our facilities for providing recreation and social services. We should not review the present rental. It would be proper, however to discuss rental rates of a new facility.

When we talk of new facilities and new construction, we talk of REPAYMENT of the financing as well, said Coun. de Bruijn. "Recreation is a very important part of our life said Coun. Fyfe - Let's get on with the motion.

Coun. Lukay felt the mayor's motion was premature at this time.

We were supposed to get yearly financial statements from the curling club, said Coun. Bakker - I haven't got them. "I will see that you do," said Coun. Hudson. Vote on the amendment to review existing rental rate was lost 5-2, with Bakker and Thordson in favor. Vote on the motion to discuss additional space with the club was carried 5-2 with Lukay and Bakker opposed.

Kindergarten Meeting Set For Thurs., October 25th

About 20 interested St. Albert citizens attended an exploratory meeting held recently in the Clubhouse to assess the need of additional kindergarten facilities in St. Albert.

Under the chairmanship of Mrs. Myrna Fyfe, the meeting considered a report from representatives of two St. Albert kindergartens who revealed that both facilities, St. Albert Creative School Society and the St. Albert Parish Kindergarten are already over-subscribed and both have long waiting lists.

A survey of available space in town resulted in the potential acquisition of the United Church basement for three forenoons per week. It was also reported that these premises could accommodate up to about 80 pupils.

In view of these findings, it was felt that another meeting must be held when firm

plans may be made to start another kindergarten in St. Albert, or drop the issue entirely for this year if citizens fail to respond.

On behalf of interested parents of St. Albert, the initiators of an additional kindergarten have announced that another meeting will be held October 25 at 8:30 p.m. at the home of Mrs. M. Adams, 17 Sunset Blvd., Everybody will be welcome to attend and assist in the formation of another kindergarten for St. Albert.

For more information please call Mrs. Frey at 459-7229 or Mrs. Adams 459-7806.

"The New York Sun," started by Benjamin H. Day in September 1853, was the first successful penny newspaper in the United States. It featured "police court" reports with the "inside view" on crime.

snowmobile by-law

Continued from page 1.

public or private land in town" replied Mr. Sully.

Dr. Thomas also felt this imposed a restriction on Riverside Sales, who would not be able to start machines on their 3/4 acre. "This would be difficult to enforce," said Mr. Sully. Coun. Hudson thought if noise were not excessive, Riverside should be all right.

"The bylaw (44/73) is all right," said Coun. Bakker, "testing can be a hell of a nuisance. We should not permit it except in the two park areas at the east and west town boundaries of the Sturgeon River. The bylaw does allow loading and unloading onto a trailer."

To clarify council's wishes to the lawyers, a motion was made that the bylaw should ban off-highway vehicles within town limits except for loading and unloading onto trailers and the two areas at each end of the town, excepting use by police officers. Hudson moved an amendment to provide for commercial people such as Riverside, that if a person can operate without complaint he can do so on private land (to be designated by leg. description) which carried 5-2 with Couns. Lukay and Bakker opposed. Motion as amended carried 6-1.

skate-a-thon

Continued from page 1

ask all citizens to support the Kinsmen in their fund raising campaigns such as skate-a-thon. Every penny earned from such events is ploughed back into the community in the hope of making St. Albert an even better place to live.

Remember, Kinsmen Tot Lots, Kincinema, Kinsmen Bus, Kinsmen Artificial Ice Plant, Kinsmen participation in building the new Arena, Kinsmen Rodeo, Kinsmen Parade, Kinsmen Minor Hockey. All these make our town a good place in which to bring up our children BUT NONE WOULD BE POSSIBLE WITHOUT YOUR SUPPORT.

Town of St. Albert

PUBLIC NOTICE

The Council for the Town of St. Albert is considering the renovation and optimum use of the Teen Centre on Mission Avenue. The public is invited to submit proposals for community use or private institutional use such as pre-school classes.

Submissions are to be in the hands of the undersigned by noon, Wednesday, November 7, 1973.

R. B. Bowen,
Secretary-Treasurer.

Dr. LeDrew Opens Grandin Optical

A second-generation optometrist has now opened a place of business in Grandin Shoppers Mall. Dr. Don LeDrew, son of Dr. R. W. LeDrew, a noted Edmonton optometrist for over 32 years is now in practice in St. Albert and will be making weekly professional visits to Morinville, starting in November.

Dr. Don LeDrew is a graduate of Pacific University in Oregon, U.S.A. (1967) and the University of Waterloo Ont. (1970). After graduation, Dr. LeDrew joined his father's practice in Edmonton, a position he held for three years before deciding to open his own practice in St. Albert.

Grandin Optical occupies about 450 sq. ft. of floor space in the main mall in Grandin Shoppers Park, opposite the Orange Julius outlet. The very modern facility was professionally decorated and furnished by Donn Larson Interiors of Edmonton, complete with shag carpeting, feature walls, cedar ceiling and the last cry in furniture design.

Dr. and Mrs. LeDrew moved to St. Albert about one year ago with their two daughters, Robyn and Kristin. Mrs. LeDrew is the former Miss Lynette Thom of Honolulu, Hawaii, who also attended Pacific University of Oregon, U.S.A. and Waterloo University where she obtained her BA degree in psychology. She taught at Glenora Elementary in Edmonton.

A.C.W. begins family life series

The Anglican Church Women are holding the first of a once-monthly series of family life programs on Friday morning.

Guest speaker will be Mrs. Pat Doerksen, district home economist for the Municipal District of Sturgeon.

Anyone interested in this program is most welcome to attend at the lower hall of the United Church, October 26 from 9:30 to 11 a.m. Babysitting services will be provided in the church building.

Dr. LeDrew not only devotes most of his time to regular optometric service but also fits contact lenses and especially enjoys working with children, which he terms "one of my specialties."

Dr. LeDrew is vice-president of The Progress Club, St. Albert Chapter and is seriously thinking of lending his hand to the fine art of curling, this coming season.

DR. DON LEDREW

Town of St. Albert

PUBLIC NOTICE

The Council for the Town of St. Albert will be appointing seven members to the St. Albert Social Services Board and invites applications from all interested citizens who are willing to serve as a member of Council to be held Monday, November 19, 1973 and all applications must be in the hands of the undersigned by 5 p.m. Wednesday, November 14, 1973. Applicants should present a resume of their experience and qualifications together with some indication of their interest and philosophy in regard to preventive social services' duties and responsibilities.

R. B. Bowen,
Secretary-Treasurer.

Letters to the editor Bus Service

The Editor:

Last week I had the incredible experience of riding on the #10 a.m. "Blue Bird Bus."

As it rounded the corner my son who is two said, "Mom look at the dirty bus." Actually it was a combination of rust and mud. We sat on the very back seat however, the vibrations of this seat were so great that I had visions of us all being thrown through the back window. I chose a seat directly across from the square left rear wheel. It had to be square! Everytime it revolved it caused the sides of the bus to buckle. The metal seat railings reminded me of a dentist's dream. I wonder how many chipped teeth he averages per month. Actually I shouldn't complain because we did reach our destination in one piece.

Being in Consumers Association of Canada and a strong advocate for school bus safety I suddenly realized that this is the place to place our concern. I'm sure school buses are in better shape. If this bus I rode on passed the Alberta inspection then our laws must be lax. Perhaps they hide it when the inspector comes by.

Come now Mr. and Mrs. Consumer aren't you concerned. Do you really pay fifty cents to ride in a thing like that? Don't you value your life? Do we have to have a few people killed on a "Blue Bird" before some action is done about the quality of bus we are forced to use? I intend to contact our Safety Council. How about you?

Farther Afield

The Canadian Imperial Bank of Commerce in their Commercial Letter for September - October, reports an expected increase in real Gross National Product of some seven per cent in 1973, which has had the effect of bringing about a reduction in the rate of unemployment to 5.5 per cent. The report goes on to say that virtual full employment has been attained in our labour force core, that is males aged 25 to 64, and that labour shortages have become increasingly apparent in various skilled trades in some regions. Which would lead us to believe that in Alberta and elsewhere in Canada attention should be given at the educational level to investing

improved methods of training skilled tradesmen, and to attracting more young people into such trades. Which might reduce the need governments to spend large sums - on the so-called 'make-work' projects for young men and women, a stop-gap measure which does not help them from a long range view.

The following classified ad in Saturday Review World makes its own comment on our times: RETIREMENT - LIVE IN VERMONT NOW - Clean fresh air. Safe streets day and night. Life as it used to be. Room and board from \$475 per month. Write for complete details. Innkeeper, 20 Park St., Brandon, VT.

The sands of time will be running out on Daylight Saving at midnight on Sunday, October 28 and thus, Albertans will be back on good old Mountain Standard. To be in step with your neighbors . . . and everybody else . . . please don't forget to back up your time-piece one hour Sunday night and thus get an extra hours sleep. When Monday morning comes around, the sun should be back where it ought to be and so should you.

Lady Lions Start New Fund Project

The October meeting of the St. Albert Lady Lions was held in the home ec. room at Sir George Simpson School on Monday, Oct. 15.

Main items of business dealt with were plans for decorating the hall for Lions Charter Night and establishing a "Travelling Library" among the members. The ladies will bring books, paperbacks or other books to the meetings - these will be

sold at a nominal price - members can acquire good reading at reasonable rates while assisting the treasury of the club.

Judy Simpson presented Perfect Attendance Pins to Harlene Ward, Cindy Riley, Elsie Snider, Shirley Parkin, Bert Frethe, Joyce Meurin and Pam Mykittschen.

Mrs. Barbara Kutchmak, home economist for Calgary Power, gave a very interesting demonstration on "Holiday Entertaining". Following this coffee was served and the members and guests sampled "the goodies." Recipe leaflets were given out - perhaps a call to homes of Lady Lions during the festive season would be interesting.

Tourism Meeting Draws 33 Delegates

Hon. Robert Dowling was the keynote speaker at the Midnight Twilight Tourist Association's final banquet held Monday night in the St. Albert Inn. The Tourist Association convened Sunday and Monday here in St. Albert, drawing delegates from many localities within Zone 14. During the two-day annual meeting 33 registered delegates heard annual reports, drafted new resolutions and made plans for the forthcoming tourist season. The delegates also held study and work sessions, and elected a new executive for the 1973-74 term.

Immediate past president, Robert Armstrong of Athabasca is succeeded by Milt Lawrence of Barrhead. Elected 1st vice-president

is Don Beattie; 2nd vice-president, Jack Sturges of Athabasca and Leanne Penner of Slave Lake, recording secretary. Re-elected treasurer for a second term is Harry Hutchings of St. Albert. Secretary-manager Gary Johnson was reappointed for another year.

In his remarks to Midnight Twilight delegates at the Monday evening dinner, Mr. Dowling said that he could envision the day, in the not too distant future, when tourism in Alberta will be one of the greatest employer of people and one of the most lucrative industries in this province.

"I would like to congratulate the executive of the Midnight Twilight Tourist

Association," Mr. Dowling said, "and wish the incoming executive every success because it's due largely to such groups as yours that tourism in Alberta will expand." He lauded the Zone 14 group of tourist workers who scored a banner year and felt sure that the coming 12 months would be even more meaningful now that much of the groundwork has been done.

Head table guests, besides Mr. Dowling, Mr. Armstrong and Mr. Milt Lawrence were RCMP Superintendent B. E. Harrison, Dr. T. MacCallum Walker, Alberta-RCMP Century Celebrations Committee co-ordinator; Hon. J. Allen Adair, minister without portfolio responsible for

northern development; Ernie Jamison, St. Albert MLA; Sam Shapiro, president St. Albert Inn (1972) Ltd., and Corp. Stan Fookes, RCMP St. Albert detachment.

Before concluding his talk Hon. Robert Dowling presented outgoing president of the Midnight Twilight Tourist Association, Robert Armstrong with a cheque of \$15,000 on behalf of the Province of Alberta. This money was awarded to the Tourist Association to help cover expenses incurred while research was being done in relation to the Alberta RCMP Century Celebrations. The project involved extensive research of sites and records dealing with the RCMP in terms of northern Alberta and the \$15,000 was shared by The Midnight Twilight Tourist Association and The Land of The Mighty Peace.

While the delegates were preparing to leave for their home towns, Gary Johnson, secretary-manager of the Midnight Twilight Tourist Association explained to The Gazette that results of the research project jointly conducted by the two tourist associations will be released early in 1974 at the outset of the Alberta-RCMP Century Celebrations.

A brief chat with a few of the delegates revealed that the first two-day annual meeting of the Midnight Twilight Tourist Association held here in St. Albert's new hotel . . . The St. Albert Inn . . . was a very successful one and all delegates The Gazette interviewed expressed enthusiasm for the future of tourism in Zone 14.

CARD OF THANKS

The St. Albert Kinettes would like to thank the people of St. Albert for their generous donations to the Cystic Fibrosis Tag Day held last Saturday. The response was marvelous.

Special thanks to all the children who donated.

Comet Intersquad Game Sees Whites Upset Blues

Mayor Ray Gibbon dropped the first puck of the season Friday night in the Junior Bruins opener. Perry Whan, left, takes the faceoff with Waterloo Mercury captain Dave Martens. MLA Ernie Jamison, centre, looks on while Bruin president Ron Yanosik is to his left.

Bruins drop opener in penalty - filled game

St. Albert Bruins dropped their opening game of the Capital Junior Hockey League Friday night in a penalty filled game that lasted three hours. Waterloo Mercurys took advantage of some costly Bruin penalties to win 8 - 5. They jumped into an early 2 - 0 lead on goals by Scott Gayler at 3:17 and Gerry Hiestler at 11:46.

Bruins fought back to tie the game before the period ended. Defenseman Jim Edwards blasted in a shot from the point at 13:27 with Perry Whan and Tim O'Neill drawing assists. O'Neill tied the

game at 17:55 on a close-in backhand. With a little luck Bruins could have scored three or four more, with all the chances they had.

Craig Neeser put the Bruins ahead for the only time in the game at the 25 second mark of the second on a deflection set up by linemates Perry Whan and Doug Ferguson. Bruins were playing shorthanded at the time, and referee Terry Tibb was kept busy calling a total of 36 infractions with the Bruins picking up 20 including majors to Ferguson and Tourangeau for

fighting.

Bruins Bob Wallace was given a spearing penalty which was questionable, but never-the-less will have to sit out a game suspension according to league rules. Bruins next game will be Friday night when they travel to Leduc for a game against the Riggers.

Sunday they will be at home for a game against Sherwood Park Knights.

Junior Hockey Flash

Craig Neeser scored the winning goal last night as the Junior Bruins came up with a fine 4-2 win over Glen Hall's Stony Plain Flyers. The win was the first for the Bruins after their opening game loss to the Mercurys.

Jim Edwards, Bob Pearn and Gil Blidoux scored the other Bruin goals. Edwards was named #1 star of the game.

Stony Plain led 1-0 after the first 20 minutes but fell behind 3-1 after two periods. Both clubs scored one each in the third.

Jasper Auto Parts Comets held their inter-squad game Sunday night with the Whites coming from a three goal deficit to win 5 - 3.

Coaches Gary Checknita and Al Laplante watched the game from the stands and were more than pleased with the results. Thirty prospects including four goaltenders went all out to secure a spot on the 19 man roster. Unfortunately some good players were given their pink slips and coach Checknita hopes he has made the right choices.

Former Calahoo Chief's star, Jake Contant opened the scoring for the Blues with a shot from close-in. Just before the first period ended defenseman Dale Ripple put them ahead 2 - 0 with a shot from the point.

Andre Contant, leading scorer in the playoffs last year scored on a quick wrist shot to put the Blues out in front 3 - 0 midway through the second period.

Fifteen seconds after Contant's goal the Whites got on the scoreboard on a close-in shot from Dwayne Klassen. Before the period was over Whites scored three more including a pair by veteran Wally Monson, Gary McCooey scored the

winning goal just before the period ended.

Perry Pearn scored the only goal of the final period to close out the scoring and give the Whites a 5-3 win.

All four goaltenders looked sharp with ex-Bruin junior Brad Rix the only one not scored against.

Comets are now down to about 24 players for this week's two exhibition games against the Fort Saskatchewan Huskies.

The first game will be played in St. Albert Friday night at 7:30 p.m. while the one in the Fort Sunday, will go at 2 p.m.

Reps Win And Tie In Weekend Bantam Action

St. Albert's representative bantam hockey team won and tied in action this week. The Reps downed Clyde 5-0 in Westlock Arena on Sunday night and tied 4-4 with Nelson Radiator AA at Grand Trunk Arena in the city Monday night.

Graham Brown, Ron Sander, Larry Hubbs, Kenny Strand and Blake Millroy scored in the win over Clyde. Against Nelson Radiator, Hubbs, Don Oullette, Larry Sander and Brown pulled the trigger.

Nelson Radiator scored the first goal of the game but St. Albert came back to

tie it 1-1 before the first period ended. St. Albert took the lead in the second but Nelson tied it late in the period. St. Albert took the lead twice in the third period, but couldn't hang on.

The line of Larry Sander, Oullette and Hubbs, who at 89 pounds is the smallest member of the team, was the most dangerous for St. Albert this night, notching three goals.

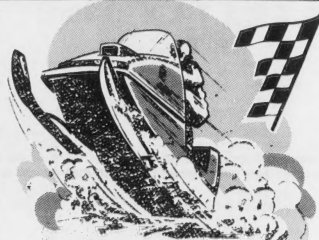

Goaltending was split three ways, Dennis Lafleur going the first period, Glenn McRae the second and Kevin Jennings the third.

Avengers Face Tough Squad In Football Playoff

St. Albert Avengers won their opening quarter final series Sunday in a hard-fought 20-9 game with North West Tent Vikings.

The win puts the Avengers into the Husky Bantam football league semi-finals against the J. P. Western Raiders.

Coach Rick Suggett feels this will be their toughest game of the season. Raiders won six out of seven games in the tough south division

and were the highest scoring team in the league, with 230 points. Avengers were second in total points with 216. Raiders also have the least-scored-on defence

with only 15 points against while Avengers allowed 41. Raiders gained entry into this Sunday's semi-final

with a 24-0 win over Newton Razorbacks.

Sean Kehoe ran for two majors from close-in, while Dave Ammar recovered a

fumbled punt and ran over for the major. Terry Leddy kicked a convert to round out the scoring. The teams were tied 6-6 at the half and 12-9 for the Avengers at three-quarter time. St. Albert scored eight points in the final quarter.

The raffle tickets will be given to the players this week and all monies received will go towards a team banquet, jackets and team awards.

Commercial League Starts Monday

The St. Albert Men's Commercial Hockey League will start its third season of play this coming Monday, October 29 at 10:30 p.m.

Knights of Columbus, a new entry into the six team league will tangle with the St. Albert Kinsmen in the league opener.

St. Albert Tankers (Premier Esso) go against Belcourt Power Kegs on Thursday and Grandin Gulf Blazers

and Rogers/St. Albert Esso play on Friday. All games this season are on Monday, Thursday and Fridays and get underway at 10:30 p.m.

Grandin Gulf are the defending champs defeating Rogers/St. Albert Esso 5-4 in the final game of the playoffs.

The league has put in a stipulation this year that all players must be 25 years of age or over unless they play-

ed last year. The main object of the league is to play a clean brand of hockey with no body contact.

Some of the teams are still looking for players and interested players can drop down this Thursday at 10:30 when Gulf and Power Kegs practice and again on Friday when Tankers and Kinsmen scrimmage.

Senior Soccer Team Planned

Plans are being made for a local senior soccer team to play in the Edmonton senior league, whose schedule begins November 18 in the Kinsmen Field House. Anyone interested may telephone Herman Kochan at 459-8233.

The 'Indians' team won both the Challenge Cup and the Atom League Trophy this year, a first double-win of this nature. Kneeling are - Carl Sturges, Ralph Lohmer, Scott Forsyth, Shawn Givens, Clyde Krier, Roger Moore; Philip Harries, assistant captain. Middle row shows John Wylie, Todd Lesenko, captain; Robert Tomaras, Chris Borge, Joseph Kadar, Brian Rasmussen, Coach Vic Harries and Assistant Coach Gordon Rasmussen standing at back.

Hercule's Boy's Soccer Training

A training program is to be held every Thursday evening 7 p.m. - 8:30 p.m. for six weeks from October 30 to December 4 in the Sir George Simpson School gym.

This soccer program, which is free, for boys born in 1966 and 1967 who are

interested in learning to play soccer.

Due to space limitations only the first 25 applicants can be accepted.

Boys must wear running shoes in the gym.

The training program will be supervised by Herman Kochan who will be assisted by other Hercules soccer coaches.

For further information phone Herman at 459-8233 any day after 1 p.m.

It is hoped that programs for some of the other age groups may be arranged early in the new year.

Attention Hockey Parents

The Kinsmen Minor Hockey Association advised the Gazette Tuesday that all coaches have now received their players list and will be contacting the boys shortly as to practice times.

Some of the 66 teams comprising some 1,000 boys have had one practice and each team will get their turn.

Practice times are one hour only and all boys should be ready to be on the ice fully dressed five minutes before their scheduled practice, so that no time is lost.

The complete month of November will be for practices only. League play will start the first week in December.

Lions & KC Banquet proves a big hit

It was football mixed with a whole lot of baseball talk, trophies, crests, hamburgers, fries and gravy for over 150 St. Albert Little League baseballers and their dads as the Lions Club and Knights of Columbus brought the 1973 baseball season to a most successful close, co-hosting their annual banquet and get-together at the St. Albert Community Hall recently.

Jim Henshall, defensive backfield star with the Edmonton Eskimo professional football team, provided the highlight speech of the afternoon as he advised the young athletes "not to quit throwing the ball around the field" if they had any aspirations to make any sport a career. "Stay in school and study hard" stressed Henshall. "To be physically and mentally capable is of prime importance," he said. "There's no such thing as a perfect game for any athlete," remarked Henshall, "as the game films will show after its over."

During the question and answer period that followed, Henshall told the story of how a little girl had once asked him if "he washed his uniform in Tide."

Outgoing Baseball Chairman Gerry Samalaski of the St. Albert Supper Lions Club introduced the guests at the head table which included mayor of St. Albert, Ray Gibbon, Alan Alain, grand knight of the Knights of Columbus, Jack Garrett, Lions Club president, and Roger Gariepy, past chairman of the baseball committee.

Trophies and crests were presented to this year's division winners: Apollos, Mosquito A champs, coached by

Dennis Cockwill; Red Sox, Mosquito B, Hank Maloga, coach. Beaver Division Giants, mentored by Rici Brimmage and Doug Millroy's Cubs, Rantam Kings. Gord Hollett, coach of the Beaver Division Braves was adjudged the Coach of the Year and awarded a trophy. As an appreciation for time and effort, crests were given to all coaches in all divisions.

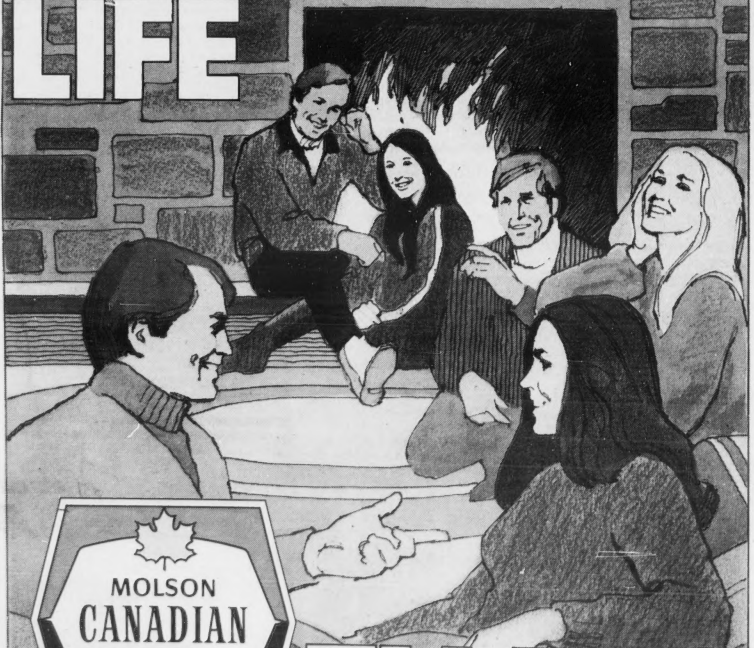

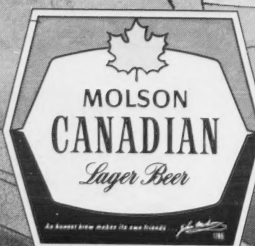

Head table guests at the banquet held Sunday by the Hercules Sports Association, for a portion of the team involved, were Ernie Jamison, MLA, seated left; Mrs. Kay Hopkins of Hercules, Mrs. Rene Booth of the London Society, Mrs. Eileen Gibbon and Mrs. Norma Gratrix. Standing are Ken Armstrong of the Hercules Association, Don Hunt, Hercules President, Sid Booth, Mayor Ray Gibbon, Lloyd Hopkins, President of EMYSA and Al Gratrix of EMYSA.

Ernie Jamison, MLA presents the individual keeper trophies to players on the Pee wee A soccer team, provincial finalists this year, at the soccer banquet and program held Sunday afternoon.

CANADA. THAT'S THE LIFE

THAT'S THE BEER.

MOLSON BREWERY ALBERTA LIMITED

Paul Kane Zone B Champions

Last Wednesday evening Paul Kane's soccer team successfully defended their North Central Zone "B" championship with a 6 - 1 drilling over Barrhead. Earlier in the season Paul Kane defeated Ardrossan and Edson to earn the right to play in the final. The final match featured some top defensive play by Phil Kemp, Peter Upright and Kris Nickerson as well as a strong offensive performance by the entire forward line with six players figuring in the scoring. Dave Hancock, Gary Larson, Doug Ferguson, Don Dowalsky, Mike Johnson and Lee Van Fossen each scored one goal.

BURTON

DENTURE CLINIC

Certified Dental Mechanics

10279-101 St. Ph. 422-3235

The Mite A soccer team are a happy bunch of boys, with the four trophies they won in a fine season of play. Seated are Norman Odginga, left, Rickey Gray, Dennis O'Neill, Brian Hunt, Murray Brown and Brent Yurkiw. Todd Spencer, Gerald Goodman, Tony Behiels, Paul Kelly, Terry Nipp and Joe Ainsley are in the back row. Trophy at left is for winning the Canora Invitational tournament. Large centre trophy is emblematic of championship in the Edmonton Metropolitan Youth Soccer Association, next is the Challenge Cup Champion Trophy and the one at right was won at the Western Canadian Invitational Tournament. The team added to its laurels by being finalists in the provincial playdowns.

REC. NEWS

SOCCER SCHOOL:

Mr. Herman Kochan will conduct a soccer school for six and seven year old boys at St. George Simpson School on Tuesdays starting Oct. 30, 1973 at 7 p.m. This is designed as an introduction to soccer, there is no charge and Mr. Kochan is a highly respected and capable coach of soccer for the Harbours Soccer Association.

CHESS:

Several people have indicated an interest in forming a chess club. Phone Mr. and Mrs. Wilbur at 458-0325 or the Recreation Department at 459-6601 if interested. A time and place will be arranged if there is a good enough response.

LEARN-TO-SKATE:

Due to the heavy use of the arena by the schools we are unable at this time to hold the learn-to-skate classes. Parents and pre-schooler time is scheduled for Wednesday a.m. from

10:30 - 11:30 and the admission is 25¢ per person, these sessions provide an excellent opportunity for parents to get on the ice and teach their small fry how to skate.

ARTS & CRAFTS:

The Advanced Model Aircraft class entered in competition during the weekend and Robert Sadee won first, with his brother Eric Sadee coming in second and Jeff Kaminski third.

OTHER RECREATION:

Announcements about recreational activities being carried on in St. Albert appear in this column through the courtesy of the editor. Watch for announcements about registration for other programs for children and adults which will be starting shortly. In the meantime, information can be obtained by phoning the Department of Recreation at 459-6601.

Around Town

Special recognition was given tonight for the achievements of apprentices at the Northern Alberta Institute of Technology. Among the recipients of special awards in recognition of their work, both in the classroom and "in the field" are two St. Albert residents, Bernie D. Hebert, floor-covering mechanic and Ernest R. Onyskiw, sheet metal mechanic. The awards are donated by construction firms, individuals, trade unions and construction management associations.

Barbara Brooks, daughter of Mr. and Mrs. D. A. Brooks of 27 Grenfell Avenue, St. Albert was one of 265 students attending Southern Alberta Institute of Technology to receive an outstanding scholastic achievement award. Barbara received the Alberta College of Art Book Prize - "Atlas of Human Anatomy For The Artist." She is taking her second year of a four-year course in sculpture.

Diane Speake of the St. Albert Kinettes reports that the response of the local people to their Cystic Fibrosis Tag Day was 'absolutely marvelous' on Saturday. She mentioned that the members were particularly touched by the many, many children who contributed their nickels and pennies. Clara Matear, project chairman, did not have the figures tabulated, but the generosity of the public is sure to make the tag a most worthwhile venture. Proceeds will assist research into this children's disease.

Andy and Anne Kampen and children Jill and Roy motored to Calgary on the weekend to attend Open House in honour of Andy's parents, Mr. and Mrs. Guy and Martha Kampen, on the occasion of their 45th wedding anniversary. Between the afternoon and evening receptions, Andy was host to a family dinner.

The principle of the rotary engine, now being used in some automobiles, was patented in 1769 by James Watt, the inventor of the steam engine.

Alberta CHECK STOP

The Check Stop officer who looks at your pink card
is concerned about your life.
To stop dangerous drinking drivers
we have to stop safe drivers as well.

In just one year, drivers who drink too much can kill enough people in Alberta to fill the equivalent of a 300-grave cemetery. They can also fill 7,500 casualty-ward beds with injured and maimed victims. Concerned Albertans want to stop this slaughter. That's what Alberta Check Stops are all about.

When you are stopped show the officer your pink card. Your delay will be kept as brief as possible. The driver we want to keep off the road may be the one behind you, or the one ahead. The bigtime drinker with death on his breath.

ALBERTA CHECK STOPS BECOME EFFECTIVE THURSDAY, NOVEMBER 1, 1973.

The Royal Bank is pleased to present in depth money management aids for

TEACHERS

This education service comprises:

- * A "Teacher's Kit" containing six booklets, each with a set of transparencies for class room overhead projectors, and supplemented by a "Teacher's Guide".
- * A 40-page booklet primarily designed for the public, but available in class sets for students, "Your Money Matters", with extensive sections on budgeting and the intelligent use of consumer credit.
- * A series of short films suitable for discussion starters are available on loan. Information on how to order these films is contained in the teacher's kit.

These easily understood money management teaching aids are compiled without bias or sales pitch and are available to any interested group.

If you would like to include this vital topic in your curriculum, please call your local Royal Bank manager.

REPORT FROM PARLIAMENT

Stanfield Heads Team Into Syncrude Oil Site

By Stan Schellenberger, MP
Wetaskwin

On September 13, Federal Energy Minister, Donald MacDonald, in response to an ever increasing rate of inflation announced a 40% per barrel tax on oil exports to the United States in addition to previously announced price freezes on refined oil.

In this report, I would like to deal with what that tax and the recent announcement by Syncrude Canada Ltd. will mean to Albertans.

Constitutionally speaking, the federal government has a right to monitor and/or tax the natural resources of the provinces. However, if only out of a sense of common decency and respect, Mr. MacDonald should have consulted those oil producing provinces affected by the tax beforehand. The en-

ergy tax was announced only several hours after Bill Dickey, Alberta's Minister of Mines and Minerals had been advised of it. Surely a better federal-provincial working relationship could have been established beforehand if only to allow the federal government to avail itself of Alberta's expertise in the area of oil related matters.

Both the Federal and Provincial Progressive Conservative Parties have stated that there should have been much more consultation between the parties concerned on the matter of an energy tax before a decision was made on its implementation. They also agreed that if any such tax was implemented the return on such a tax should go back to the provinces(s) concerned.

Mr. Robert Stanfield,

some fellow Progressive Conservative M.P.s and myself have recently had an opportunity to consult with officials of Syncrude of Canada Ltd. in Calgary. Following that meeting, we all flew to Fort MacMurray to view firsthand the proposed site of the Syncrude Oil processing plant and the oil extraction process they are using.

I was overwhelmed by the magnitude of the operation. Did you realize that:

*The Athabasca Tar Sands project is five years ahead of the proposed Colorado Oil Sales in the U.S.A. In the areas of research and development.

*If this project goes a-

head as planned, Canada would soon become the world price setter in oil.

*Estimated reserves of oil in the Northern Alberta Tar Sands are one trillion barrels.

*Of the thousands of square miles of tar sands available for production, only 8 sq. miles will be required to produce 125,000 barrels a day for the next 25 years.

In conclusion, I would like to assure you all that Robert Stanfield and the Progressive Conservative Party are aware of the injustice being done to we Albertans and will continue to fight for a fairer solution to the energy crisis.

Kinsmen President Barry Welsh on the left with Kinsmen Dennis McConnell who as next years chief rainmaker will be running Rodeo 113. Dennis assures us that according to the seaweed which he picked at the rodeo grounds this year, next year will be the sunniest ever. He will shortly be travelling to Ponoka and Calgary to arrange dates with the Canadian Rodeo Association, stock contractors etc., and remember to "Think Sun" all year!

Humane Trapping Scheme Concern Of Fur Industry

Lack of progress in the development of a more humane trap and trapping method of fur-bearing animals was eloquently registered recently by the Fish and Wildlife Division of the Alberta Department of Lands and Forests at a meeting held in Winnipeg. The conference brought together representatives from the federal, provincial and territorial wild life departments and a five-man committee was set up to co-ordinate findings.

The delegation from Alberta told the conference that there was mounting concern by humane societies, trappers and wildlife administrators in the slow development of more humane traps and trapping methods. In the wake of this appeal from the Alberta delegates, the meeting was told that work is underway by private individuals in different provinces of Canada and that at least four new traps may prove to be more humane devices. The five-man committee has been given as its special task to co-ordinate the findings relating to the newly-devised traps and suggested trapping methods being developed. The com-

mittee, in turn, announced that it will hire a full-time co-ordinator to see that information about the new trap designs be made available to all governments and interested parties as quickly as possible.

Once guidelines have been developed, a method of testing new traps will be set up to ensure that the new designs meet the desired criteria and are effective in the field trials before being certified for sale.

The meeting also agreed to promote an education program which will encourage trappers to use more humane methods when they become available. It also agreed to promote trapping of fur-bearing animals as a major renewable Canadian industry, a source of employment opportunities and a beneficial exercise in good management practice in the harvesting fur-bearing animal surpluses annually.

The committee of five include: Gerald Kemp of Alberta; John Brubacher of Ontario; Russell Hall, N.W.T.; David Gimmer, Dept. of Indian and Northern Affairs and Marcel Baudet of Quebec.

Professional Pharmacy Opened In Med. Building

Grandin Prescription Centre, housed in the Grandin Medical Building is owned and operated by Ed Dunk and Don Saunders, two pharmacists with very definite philosophies about 'drug stores.' They agree that drug stores ought to dispense prescription drugs and home remedies, therefore, that's exactly what Ed and Don are doing.

"We are going to do everything we can," the two druggists said, "to enhance the professionalism to drug-dispensing, also offer our customers personalized service and serve as liaison between doctor and patient."

Grandin Prescription Centre occupies about 600 sq. ft. of floor space within the new Grandin Medical Building. It is conveniently set up in the southeast corner of the building and is connected to the medical clinic entrance on one side and has a separate south

entrance.

The up-to-date dispensary was designed and furnished by the Activators, an Edmonton firm which specializes in detailed drawings and fixture supplies for all types of retail outlets. In the Grandin Prescription Centre, the supply firm put every square foot of floor space to optimum use yet kept in mind eye appeal for the customer and convenience for the pharmacists.

One of the co-owners of Grandin Prescription Centre is Ed Dunk who graduated in 1955 from the University of Saskatchewan. Mrs. Shirley Dunk, now a busy housewife, graduated from City Hospital in Saskatoon in 1957. As a registered nurse, Shirley worked at the University of Alberta Hospital while Ed worked as a druggist for Tamblin. About 11 years ago, the Dunks moved to St. Albert with their two children, Brian

and Karen while Ed worked in the local Tamblin drug store. Two years ago, Ed was promoted within the Tamblin chain, and after working as a supervisor,

his company wanted to transfer him to Hamilton, Ontario as a supervisor but Ed declined the promotion. It was at that juncture he and his partner, Don Saunders decided to start their own pharmacy and remain in St. Albert.

Don Saunders is a graduate of the U of A in 1970. It's interesting to note that Don is also an air transport captain with 17 years experience flying commercial aircraft. His partner likes to call him "the phlying pharmacist" and Don doesn't seem to mind at all.

"Phlying Pharmacist" Don is married to Lorry and the Saunders have a family of three children, Jeff 15, Scott 13 and Patricia 11. They too enjoy their home in St. Albert.

Although Mr. Saunders still flies about 14 days per month for Wardair, he

Ed Dunk, co-owner of Grandin Prescription Centre is seen talking with one of his customers on the phone. The array of fixtures and display counters were specially designed for the modern pharmacy. Ed's partner, Don Saunders is also a Wardair of Canada pilot and logs an average of 14 days per month. Don is affectionately called "the phlying pharmacist."

spends the remainder of the time in his new store, either working with or spelling-off his partner.

The owners of Grandin Prescription Centre join with the owners of Grandin Medical Building in inviting everyone to the Open House celebration next Saturday, October 27 from 2 to 5 p.m.

REFRESHMENTS

Grandin Medical Building To Hold Public Open House

Grandin Medical Clinic, formerly housed in only 1,200 sq. ft. of floor space in the Grandin Shoppers Park is now in full operation in its new and spacious premises at 148 Grandin Rd.

The ultra-modern 10,000 sq. ft. brick, concrete and glass structure was started early this Spring and will be officially opened this coming Saturday, October 27. The 'Open House' ceremony will get under way at 2 p.m. and until 5 o'clock that same afternoon, guests will be welcome to visit the new facility and enjoy light refreshments.

Contained in the two-level Medical Building are offices for six doctors, laboratory and x-ray facilities plus a professional pharmacy dispensing prescription drugs and a complete line of home remedies.

Owners of Grandin Medical Holdings are: Doctors F. M. Fairfield, E. N. Gramlich, W. D. Ramer, W. L. Read, H. E. Albrecht and N. M. Gray. In addition to medical services provided by the owners of Grandin Medical Clinic, the doctors have a standing arrangement with five specialists from Edmonton, each of whom spend half a day every week here in St. Albert.

Plans for the new Grandin Medical Building were drawn by Eugene Oleksy

and Partners, architects and the general contractor was Datsco Construction Ltd. of Edmonton. Local construction engineer was George Hartmetz who supervised the entire project from the time sod was turned on the 28th of February until finishing touches were applied a few weeks ago.

Surrounded by hard-surfaced parking for 48 vehicles, the new two-level structure displays ample use of a rich brick exterior finish and ample natural lighting coming from huge tinted plate glass windows. The interior decorating is modern in design and sub-

dued by means of ample use of mahogany panelling which contrasts pleasantly with walls finished in neutral tones. All floors are tiled and carpeted. Completing the modern facility is a forced-air heating system which converts into an air-conditioning unit. The clerical personnel, working out of a cheery reception area includes an office manager and a staff of 10.

On Saturday, October 27, open house celebrations will be touched-off by a brief ceremony, followed by conducted tours of the facility while light refreshments are served.

Congratulations

School Act Relaxed For Native Teachers

Minister of Education, Lou Hyndman, has announced that regulations have been developed relative to the School Act, to enable school boards to hire instructors to teach native language courses.

"We recognize the signifi-

ficance of native language instruction to our first citizens and the fact that there simply aren't enough certified teachers available to instruct native language courses. After meeting with representatives from dis-

tricts wanting instruction in native language courses and after consultation with native people and others concerned with the problem, including the Board of Teacher Education and Certification we have established new regulations that make it easy to hire instructors in native language courses," said Mr. Hyndman.

In order to qualify as an instructor, a person must satisfy a panel composed of people knowledgeable in a native language, who are convinced of the candidate's proficiency in the language. Approval by the local Indian Board or Metis Settlement must also be obtained.

The instructor must also have completed a summer school course acceptable to the Department of Education.

Mr. Hyndman added that the new regulations provide for continuous upgrading of the instructor. "In 1978 we expect the minimum requirement for a letter of qualification will be two years of teacher education and by 1982 the minimum will be a full professional teaching certificate."

Legal Grads Honoured At Splendid Program

By Lucienne Montpetit

A program showing careful and thoughtful planning was arranged for the students of the graduating class of Legal High School 1971-72. To open the graduation exercises the 27 graduates were honored at a homecoming mass celebrated by Father Bissonnette at 4 p.m. Readings from the scriptures were read by Paulett Cloutier. The school choir under the direction of Patsy Montpetit are to be commended for the beautiful singing rendered in church.

The graduation banquet was well attended by 230 persons. Jimmy Hunting, president of the Students Union emceed in a very capable fashion. Father Bissonnette said grace and Mr. Hesse proposed a toast to the graduates.

The evening exercises which were held in the school gymnasium opened with the entry of the graduates. The gym was most attractively decorated to illustrate the graduation theme, "A Long and Winding Road."

The Students Union president welcomed the large crowd in attendance and congratulated the graduates and wished them the best of luck on their long and winding road through life.

Margo Montpetit and Dan Rivard introduced each grad alternately. They had pertinent remarks on their achievements as the graduates were escorted up front to receive a diary reminiscent of their 12 years in school, presented to them by Mr. Keane, principal.

Mr. Dixon Keane, school principal brought greetings and congratulations from the teaching staff, and welcomed everyone on behalf of the school. He said it was a pleasant task for him to shake hands with each graduate on this very special date on this very special date. He went on to say that there was no such thing as a generation gap, this he said is promoted by those who can profit by it. He said the school was very proud of their graduates and thanked all those responsible in the organization and preparation of the graduation exercises.

He ended by saying "It's in the fight, in the striving, in the mountains unclimbed that fulfillment lies, so, if you have nothing to strive for, you have nothing to make you happy. If goals are worthy you will persevere, and may God bless you graduates."

Mr. Herve St. Onge, chairman of the school board brought congratulations from the board members and the parents.

The St. Martin sisters, Marie, Juliette and Rita entertained the audience with a delightful song. Mr. Joseph Vauil, mayor, brought congratulations from his colleagues and the Village of Legal.

Miss Simone Demers, district home economist for the County of Strathcona, a former graduate of Legal school expressed very well her thoughts and feelings on what graduates should ex-

pect as they go out into our challenging world of today. Using a simile to express her thoughts Simone compared a graduate leaving school with Jack and the Beanstalk, that each have a goal: a beanstalk to climb. Graduation as such becomes a formal, social recognition of the first major decisions in that climb. The education, the values, and the goals you have acquired while in this community are a start: a

foundation upon which you may begin discovering what adulthood really means.

You may feel like Humpty Dumpty who fell off a brick wall she said, but fortunately you will find King's men and women who are sufficiently patient and sympathetic to help you get together again.

The adult holds a job for the interest of the ability that he has in being able to work, which thus enables him to discover his own

beanstalk. She went on to say, knowing freedom of choice consequently implies knowing and accepting responsibilities.

You know there's a new world somewhere, a world where love does not mean never having to say your sorry. That world is here for us all, if we are willing to stop, listen, discover and develop as adults. Simone concluded with "Life begins with the word Love."

like the pilgrim, meditate on life and like Jack climb your beanstalk.

Valedictorians, chosen by the class were Denis Nault and Bruce Kallal and both spoke extremely well. Denis addressed the gathering in French while Bruce spoke in English.

The guest speaker of the evening was Mr. Dan Hollands, MP for Pembina.

Prior to their graduation

each graduate received a congratulatory message from Mr. Hollands. His thoughtfulness was greatly appreciated by each graduate. Mr. Hollands said he and his wife were proud and happy to have witnessed the graduation in Legal. He told the graduates, "As you go

about your task ahead your mind will wander back to your school days in Legal. Regardless what vacation you take there will be responsibilities, there you will find the difference between success and failure. Many immigrants have come to our country he said, and they have added culture to our Canada. In a few years you, the graduating class, will make your contribution, and it is on you that we will put our trust to continue to fight for our freedom. We in Canada don't seem to realize how important and fortunate we are with all our freedoms."

He also told the story of the Little Hen who couldn't have help to cultivate her land, seed the grain etc. Finally after the bread was cooked she had plenty of volunteers to help her eat it. The moral of the story is that too many people want things without working and fighting for them.

A token of appreciation was presented to Simone and Mr. Hollands.

A plaque was presented to Sister Aurore Blanchette on behalf of the students for the fine work, devotion and example she has given our school for the past 25 years. In accepting the plaque Sister Blanchette thanked the students and parents for their co-operation and said she had been very happy in her community. Legal is her home she said and hopes to stay for many years to come. She said there was no such thing as a generation gap because she said her students of 1947 were the same as those of last year, "good, smart and intelligent." She was also proud of one of her first students in 1947 who is now mayor of our village, Jos. Nault.

She thanked the students for that wonderful mark of gratitude and received a standing ovation from the audience.

Following the presentations of academic awards (which will be carried next week) some 375 people danced to the swinging music of the Twenties ending a memorable evening in honor of the graduates.

The grads are: Sylvia Bileau, Yvonne Brisson, Yvonne DeChamplain, Doreen Champagne, Jean Clement, Daniel Gagne, Lionel Deslauriers, Bruce Kallal, Gerald Krauskopf, Paulette Laplante, Gerald Letourneau, Dennis Nault, Daniel Prefontaine, Gerald St. Martin, Lilliane Brisson, Claude Chamberland, Gerard Charrois, Richard Cornells, Laurier Douzlech, Diane Gerla, Bernard Krauskopf, Rita LaFramboise, Rita LaRose, Deborah Mercier, Leo Pelletier, Laurent Provencal, Jocelyne St. Martin and Paul Thielie.

Rural Recreation

By Jean Smith

Registrations for courses are still taking place in some communities and some classes still have room for a few more people.

LEADERSHIP TRAINING:

A three day session will be held for instructors and prospective instructors in the Bon Accord Community Centre on October 29, 30 and 31 sponsored by Mrs. Pat Derksen the D.H.E. and Sturgeon Regional Recreation. Some of the topics to be dealt with will be communicating ideas to your group, delegating responsibility, developing self confidence, getting your classes started and maintaining interest. The course will be limited to 25 so send or telephone your intentions of attending to either the D.H.E. office or Mrs. Lynda Bland of Bon Accord.

CORONADO:

Our Ukrainian dancing classes will be held in the United Church Hall in Coronado on Wednesday evenings at 6:30 p.m. The first class will start on Wednesday October 24. Cost will be \$4 per child or adult per month. Remember, you don't have to be of Ukrainian descent to enjoy ethnic dancing. Contact Mrs. Elsie Belzlik 256-2283 or our office and we will take your registrations over the telephone.

BON ACCORD:

A short course covering fabrics, wardrobe planning, current styles, consumer education and simple accessories to buy and make is being conducted by Mrs. Candy Long, the assistant D.H.E. Classes begin at 2 p.m. on Wednesdays at the Community Centre. Contact Lynda Bland, 298-2185 if you would like to attend.

LEGAL:

Folk Guitar lessons will begin on Monday, Oct. 22 at 8 p.m. in the Recreation Centre. Cost of the eight week course will be \$5 which will include a music book. The class will continue after Christmas. Instructor will be Miss Karen Weston of Morinville. A Christmas gift and decoration course will begin the first week in November. The course content will be candles, gift items, wall hangings, stockings and decorations. Mrs. Sharon Velch of Legal will be the instructor. Not enough people registered for defensive driving so if you had planned on taking the course we are still taking names. To register in any of the above classes or if you are interested in anything that

we have not mentioned you may telephone Mrs. Sharon Velch, 598-2399 or our office. For anyone who are interested in canoe building please telephone Mr. Laurent Colombe of our office. GIBBONS:

A multi-craft course will begin in Gibbons on Tuesday, Nov. 6 in the evening. The course will consist of decoupage, and an introduction to such crafts as weaving, soft leather, creative stitchery etc. Astreshew sewing course could be offered in Gibbons by Mrs. Nowa-

kowsky of Nestow. The cost would be \$15 per person and there must be a minimum of 15 ladies in the class. If anyone is interested in the course and wishes to take the required number of names and send them to our office we will be happy to assist you in setting up the class.

HORSE HILL:

All classes advertised in the tabloid are getting underway and one new one has been added. A boys woodworking class will be offered on Saturday mornings.

LEGAL LOCALS

By Lucienne Montpetit

Mr. Ben Gagne's new home is progressing rapidly west of the curling rink.

Sunday, October 28 "Un Rally Francophones will be held in Legal. The program will begin at 1:30 p.m. in the school gym, with the presentation of provincial francophone artists such as Paul Denis, Paulette Parisseau, Ron Aubin and others.

At 4:30 local people from Vimy, Morinville, Picardville and Legal will have another opportunity to expose their talents. Following the program a meal pie supper will be held at the Community Hall. Reserved tickets - (\$2.25) should be purchased before Wednesday.

In Morinville contact - Solange Bachand, Legal - Raymond Tremblay; Vimy - Germain Fortin; Picardville - Mrs. Heriveau. At 9 p.m. dance to the H plus Three. Admission \$1.00.

Everyone is welcome and we hope you will attend and take in all the activities of the day.

Anyone wishing to have meetings at the Recreation Centre should phone Jules Larose before to reserve the Centre. Due to lack of space many meetings are held on the same night. Reserve the centre now for your meeting later.

The organization of minor hockey is underway now. It is sponsored by the Pec, Beard and will be managed by Roger St. Martin and Milton Moncrieff.

Following the meeting of October 21 few parents showed interest. So if you want your BOYS to play hockey show up at the next meeting and show your interest. Coaches and managers are in great need. If you want to help give your names to Roger or Milton NOW. Remember winter is just around the corner.

ered on Saturday mornings. Mrs. Elaine Hood, 799-7401 and Mrs. Peggy Wenzel at 799-5783 are the community contacts. CALAHOO:

Mrs. Brenda Coyes is currently instructing a physical culture class and Mrs. Angeline Moellman will be teaching a stitchery course to begin the first week in November.

The popular "Arts and Crafts for children" will be offered again, taught by Miss Lucille Moellman. Anne Berube is currently taking an advanced leather course. If you are interested in continuing the leather class taught by Anne last year or are interested in a repeat of the basic course you can contact Anne by telephoning her at 459-5652. Registrations for wine making are still being taken. Your community contact is Mrs. Angeline Moellman, 932-2007 for registration in any of the above classes.

DANCING:

Sorry, our dancing classes in Bon Accord, Gibbons, Morinville, Legal and Riviere du Barre are filled to capacity and we cannot even add anyone to our waiting list. We suggest that for those who missed registering their children, consider enrolling them in the Ukrainian dancing classes at Coronado. Dancing helps develop co-ordination, poise, and a sense of rhythm, regardless as to whether it is modern, ethnic, tap or jazz.

Mrs. Jean Smith, program co-ordinator, Sturgeon Regional Recreation, Morinville, Phone 424-6276 and 256-3321.

Mayor Art Stapleton cuts the ribbon to officially open the new I.G.A. store in Morinville on October 17, as the guest of honour of owners Romeo and Regine Bousmoult.

Trotters celebrate Diamond Wedding

By Flo McGinnis

Mr. and Mrs. Alphonse Trotter of Morinville celebrated their 60th wedding anniversary on August 27, with a small gathering of family and friends in the Chateau Lacombe, Edmonton.

Both Mr. and Mrs. Trotter were born in Montreal in 1886, with Mr. Trotter coming west to Calgary in 1905 and Mrs. Trotter (Valda Cormier) joining him in 1912. The couple were married in Calgary on August 27, 1913 and moved to Morinville in 1920 where they took up farming for some five years.

Alphonse Trotter served as postmaster at Morinville from 1926 until his retirement in 1953. For 33 years

(from 1928-61) the Trotters had a large milk ranch on the outskirts of Morinville, starting from scratch and building it up to a herd of more than 2,000. Although the Trotters are retired they still spend a very active life in the community.

The Trotters have two daughters, Cecile Trotter of Edmonton, and Mrs. Therese Miles of Vancouver.

Congratulatory messages were received from Queen Elizabeth II, Pope Paul IV, Prime Minister Trudeau, Gov. Gen. Michener, Opposition leader Robert Stanfield, John Diefenbaker MP, Lt.-Gov. Grant MacEwan, Premier Peter Lougheed, as well as from many friends and relatives of the family.

MR. & MRS. ALPHONSE TROTTER

OPEN LETTER To All Snowmobilers

Now is the time of year when old and new snowmobilers alike are looking for the first fall of powder. Now is the time to shop for your new machine, do maintenance on your old machine and look into the new lines of clothing and accessories for the '74 season.

We'd like to introduce you to a new concept in snowmobile sales and service. Being avid snowmobilers we have found that when you break down it always seems to be when most parts and service centres are closed. (The owners are out snowmobiling too). Starting the 1st of November we are staying open for service Thursday, Friday and Saturday nights till midnight and from 11 a.m. to 4 p.m. Sundays.

"You're right... these certainly are maneuverable!"

a SWAP DAY when you may trade in your old snowmobiles.

We also have a racing team (TEAM WESTLOCK) which is made up of snowmobile buffs from all over the area. Anyone interested is more than welcome to contact us.

We are dealers for POLARIS and carry a complete line of family machines, super sport, high performance and racers. Polaris won the world's championship in '73 and the '74 season looks promising. Drop in and see our complete line and discover why at Polaris they say PERFORMANCE ABOVE ALL and we say SERVICE AND SATISFACTION. We have unlimited space right behind our shop to try out our demonstrator models. Before you buy come in and try one of our demos.

BE SEEING YOU
Don and Carmen

Lewoniuk - Houle Wedding

A lovely garden wedding united Doris Houle (formerly of Morinville) and Alex H. Lewoniuk (formerly of Gann) on July 14, 1973, at the grounds of Mr. and Mrs. William Lewoniuk.

The unique marriage ceremony was a combination of the Roman Catholic and Orthodox religions with the ritual written by the bride, Rev. W. J. Doherty of St. Rose of Lima Roman Catholic Church, Onoway, and Rev. Michael Andruschew of All Saints Orthodox Church, Edmonton performing the ceremony.

Each organ music guided the bride, on the arm of her father Ernest Houle, down the aisle outlined with streamers and yellow daisies. The bride's gown of Cottingham lace featured a Victorian bodice with puffed sleeves, while the bride's fingertip veil was held in place by a headpiece of sweetheart roses.

Matron of honor Mrs. Angeline Gibeault, Lorraine Lamoureux (sisters of the bride) and Connie Gibeault all wore bright yellow palazzo gowns, yellow roses and daisies in their hair, and carried parasols to match the bride's.

Groomsmen were Arthur MacJannet, Bruce Barnard and Henry Lamoureux, while the guests were ushered by Gerald Houle, Harold Knopke and Tom Houle.

To greet her guests the mother of the bride chose a floor length gown of flowered voile in pink and blue-mauve, while the groom's mother wore a blue A-line gown. Both mothers wore wrist corsages of yellow roses, with yellow roses in their hair.

A solo "THU" was performed by Ed Rupash accompanied by Bill Lewoniuk to conclude the ceremony.

The "Our Father" was sung by Tom Houle assisted by a chorus of Denise, Vivian and Lise Houle; Michelle, Sherry Lynne, and Karen Lise Gibeault. Lise Houle accompanied them on the guitar. Karen Lise Gibeault also performed a flute solo during Holy Communion.

A garden party followed the wedding ceremony, and later, a reception for 100 guests was held in the Mor-

MR. & MRS. LEWONIUK

inville Recreation Centre where Gerald Houle was master of ceremonies and Henry Lamoureux proposed the toast to the bride.

After their honeymoon on a houseboat in the Okanagan, the happy couple took up residence in Edmonton where they both work.

REA Enquiries Come In On Rural Power Rates

Following the publication in various newspapers, and notifications to Rural Electrification Associations, of a Public Utilities Board's decision, and dates of further hearings in the matter of an increase in power rates applied for by Calgary Power, Reg Austin, Coronado, secretary and a director of the Alberta Union of Rural Electrification Associations, reports that he has received a number of enquiries from R.E.A.'s in Calgary. A what representation is being made on behalf of rural power users at the hearing that was commenced Oct. 16, 1973.

This hearing is part of the application to the Public Utilities Board that was initiated by Calgary Power nearly a year ago, and which is being heard by the P.U.B. in a number of phases. A recent decision of the P.U.B. reduced the amount of funds required by C. P. in 1974 by almost \$1,600,000. C.P. has now to produce rate schedules to give them a revenue of \$101,345,000, in 1974.

Interveners on behalf of various groups will be presenting arguments on the rate schedules presented on October 16.

Mr. Austin reports that the interests of R.E.A. members are being presented by a team consisting of Alberta Union of R.E.A., president Jack Adie of Drumheller, vice-president Cliff Westby of Daysland; Edmonton lawyer A. M. Browless, assisted by other consultants and rate experts as they are needed.

Funds for the rural power presentation are being provided on a no-interest loan

from the Alberta Government. These funds are being administered by the secretary-treasurer, Reg Austin, of the Union of Rural Electrification Associations.

Borle - Moffat Wedding

The Gospel Mission Church in Clyde was the scene of a pretty fall wedding when Louise Moffat, daughter of Mr. and Mrs. Dan Moffat of Clyde was united in marriage with Robert Borle, son of Mr. and Mrs. Emilie Borle of Morinville. Pastor Clifford Peterson conducted the triple ring ceremony on Saturday, Sept. 1st.

Wedding music was provided by Miss Lois Schake who also sang a hymn in accompaniment to Mrs. Carol Matishuk. "O Perfect Love" was sung by Eloise Borle and Raymond Kremer, an aunt and uncle of the groom.

Entering on the arm of her father, the bride was enchanting in her white gown of peau de sole and chantilly lace. Her chapel veil was held in place with a floral headpiece and she carried a cascade of red roses and lily of the valley.

Bridal attendants Debbie Kubernus, Pat Borle and Doreen Turner were charming in formal gowns of

aqua blue crepe and sheer. They wore white daisies in their hair and carried nosegays of aqua and yellow roses. Groomsmen were Maurice Bauwens, Bob Moffat, and Ken Bracke.

To receive her guests, the mother of the bride chose a floor length gown of pink sheer over taffeta with white accessories and pink rose corsage. The groom's mother wore a gown of red crepe with silver accessories complimented by a corsage of rust roses.

Following the ceremony a reception was held in the Clyde Community Hall with 100 guests for supper. An additional 100 guests attended the dance with music provided by the Country Pals of Edmonton.

For their honeymoon trip to Jasper, Radium, Banff and other points, the newlyweds were matching going-away outfits in navy and red.

Mr. and Mrs. Borle are presently making their home in Clyde.

MR. & MRS. R. BORLE

Report From Bon Accord

By Saddle Allen

Re-organization of the Bon Accord 4H Light Horse Club took place on Sunday, October 21 with 17 members registering. Executive for the coming year are: President - Marsha Rigney; vice-president Lori Pawluk; secretary - Natalie Sharp; treasurer - Dawn Gould; club reporter - Kim Pawluk; club representative - Marsha Rigney; club librarian - Lori Pawluk. As the club does not have to be registered until Nov. 12 there is still time for interested members to join. Call Marsha at 298-2248 or one of the executive nearest you.

There has been another change in plans for the hall-oven party. The players from the Citadel have advised the committee that they will be starting their program at 6 o'clock rather than 8 as previously announced. This means that the costume judging must also be set ahead and will now go at 5:15 sharp. All those kiddies who are dressing up, please keep the new time in mind so you won't miss the judging.

Badminton is underway and will be a regular Monday night feature from 7:30 to 10:30 at the school.

Registration for yoga classes was held on Wednesday, Oct. 24 in the community centre. In charge is Doreen Pawluk. If you missed last Wednesday and want to join the class contact Doreen.

The St. John Ambulance Brigade meets the third

Tuesday of the month. More members are needed for a successfully run emergency unit. To date the brigade has been called on several occasions to deal with injuries and illnesses. The new number to call in case of an emergency is 298-3777 and is in service 24 hours a day. This is a public service paid for by the Village of Bon Accord.

Re-organization of the Bon Accord 4H Food Club was held on October 3 at the home of club leader, Mrs. Edith Kowalski. Assistant leader, Mrs. Ethel Samis was also present. The following girls registered. First year members are: Karen Robinson, Lori and Debra Kulay, Nikki McKenzie, Valerie Millwood, Karen Belzlik, Karen Berjke, Cathy Malanahan, Terry and Bobby Brown, and Loralee Lehman. Second year members are - Joyce Woywitka, Car-

men Carleton, Beverly Hewitt, Tami Kowalski, Kim Reynolds, Diana and Janet Mulligan, Vivian Owen, Jill Nicholson and June Zedran. Executive for the coming year are: President, Diana Mulligan; vice-pres. Nikki McKenzie; sec. - Vivian Owen; treas. - Janet Mulligan; club reporter - Joyce Woywitka; club librarian - Lori Kulay; phoning com. - Terry Brown and Diana Mulligan. First meeting of the club was held on October 17. Members were shown how to do a demonstration by Joyce Rigney. It was decided that regular meetings be held on the first and third Tuesday of the month with the exception of October, when the meeting will be held on the 30th.

Diana Mulligan attended Agriculture Week as the Food Club representative. Activities enjoyed were a tour of a dairy farm, lunch at Mayfair Park, a tour of

Northern Alberta Dairy Pool and a final stop at the Edmonton Exhibition grounds where they enjoyed a meal courtesy of the Department of Agriculture.

Organization of Bon Accord and District Agriculture Society is slated for Thursday, Nov. 1 in Bon Accord Community Centre at 8:30 p.m. If you are interested in supporting your community's activities it is very important that you turn out to this meeting. Make this the one you don't miss.

Is your food worth the cost? That's the topic for the consumers education series on Monday, Oct. 29. Guest speaker is Dr. Michael Stiles, associate professor School of Household Economics, U of A. The program consists of very interesting talks and discussion and the subject itself is of vital interest to all. Time is 8 p.m. in Bon Accord Community Centre.

Bon Accord Council Re-Elects Deedman Mayor

At a special meeting held Oct. 19, 1973 approval was given.

Joint discussions were held between council and the Bon Accord Cemetery Board with regard to acquiring more land for parking and expansion at the Bon Accord Cemetery. Mr. Walter Van de Walle, reeve of the MD of Sturgeon was present also and confirmed that his council agreed to absorb the cost of constructing and gravealling the access and parking area if the acquisition

of land could be arranged.

Discussions between council and Glacier Developments are being held in connection with a proposed new subdivision on the Hugh Allen land. The development agreement is at present being studied by council.

With the prospect of further development in the village the matter of community financing will be taken up with the Edmonton Regional Planning Commission.

Next regular meeting - Nov. 19, 1973 at 7:30 p.m.

Gibbons resident

Mrs. Cecille Neami Moore passed away at the age of 66 years on October 8, 1973, at the Grandview Auxiliary Hospital, Edmonton.

She was born on June 16, 1907 at Stony Plain and was raised in the Bon Accord district. She was married on Feb. 20, 1929, to Mr. Jefferson Moore, who predeceased her on January 6, 1971. They resided in the Alameda district until 1946 and then moved to Edmonton. From Edmonton they moved to Gibbons in 1957 and she has resided in Gibbons for the past 14 years. She was an active member of the Gibbons Legion #228, since 1960, and also a member of the Last Round-Up Senior Citizens Club.

Mrs. Moore is survived by one son, William (Bill) Moore, Redwater; four daughters, Mrs. Melvin (Shirley) Maser, Mrs. Colin (Ada) McLean, both of Gibbons; Mrs. Dave (Mildred) Highberg, Calgary and Mrs. Sam (Joyce) Shuman; 16 grandchildren, six brothers and three sisters.

Funeral services were held on October 10, 1973 at Howard and McBride Funeral Chapel with Rev. L. Musto officiating. Interment was in Westlawn Cemetery. Pallbearers were: Mr. Earl Uye, Mr. Harold Madu, Mr. Roy Wearmouth, Mr. Buster Morin, Mr. Mac McNeill and Mr. Don McLean.

The funeral was attended by all surviving brothers and sisters and many friends of the Alameda and Gibbons area. Also attending were Mr. and Mrs. Don Williamson of Dinsmore, Saskatchewan, formerly of Gibbons.

Mr. and Mrs. Brian Irmen whose marriage took place on Saturday, October 6 in the Anglican Church, Gibbons. The reception and dance were held in the Bon Accord Community Centre. Mrs. Irmen is the former Janice Fraser, daughter of Mr. and Mrs. John Fraser of Gibbons.

Les Femmes Chretiennes NAMAO NEWSplan for busy season

By Lucienne Montpetit

Les Femmes Chretiennes held their first meeting on October 1st after their summer recess.

Taking on their responsibilities were members of the new executive: Mrs. Paul Clouthier, president; Mrs. Walter Van de Walle, vice-president; Mrs. Richard Maurier, secretary and counsellors Mrs. Arthur Morin and Mrs. Normand Letourneau.

The president opened the meeting with a prayer then welcomed everyone. She thanked all the ladies that helped with the float for Fete au Village.

Following the adoption of the minutes, several committees were nominated -- accepting on the telephoning committee are Mrs. Lucie Montpetit, Mrs. Jos L'Heureux and Mrs. Leon Prefontaine. Social conveners for the Chateau Sturgeon are Mrs. Roland Prefontaine, Mrs. Eddy Rivard, Mrs. Frank Gregoire and Mrs. Lucien Montpetit.

Mrs. Jos. Nault is still on the library committee,

Mrs. Leo Charrois is in charge of the coffee and lunch. Eight ladies volunteered to take monthly turns to clean the recreation centre.

The meeting agreed to give \$10. to the grade 10 student with the highest mark in advance French.

A number of suggestions were given to mark the 25th anniversary of the Diocese, celebrated on Nov. 4.

Father Blaisson spritual director conducted a very interesting question period.

Mrs. Walter Van de Walle representing the Morinville, Vimy, Picardville and Legal regions on the Diocesan council reported attending a meeting at Mallaga recently and informs us that the National President, Mrs. Jeanne Laplante from Sudbury, Ontario will be conducting a study session in Legal for the region on October 29 from 4 to 9:30 p.m.

All the members are urged to attend this interesting session.

Everybody is invited to come and play bingo at the

Chateau on October 21 at 1:30 p.m.

Members are reminded that its time to pay their dues. Any woman speaking French who is interested in coming to the meetings are most welcome.

Coffee was served and concluded a very interesting evening.

The next meeting will be held on November 5.

Villeneuve 4H News

By Vernice Soetaert

The Villeneuve 4H Sewing Club held its reorganizational meeting on Oct. 10th. The club consists of 24 members.

A new executive was elected, with Michelle Gangier as president and vice president Debra Borle; secretary, Janice Kremer; treasurer, Patricia Sheehan; club reporter, Vernice Soetaert; club representative, Colleen Klak; social convener, Kim Klatt; telephone committee, Moira Sheehan; travel committee, Maureen Savole and lunch committee Tracy Mancell. The club's leader is Mrs. Margaret Borle assisted by Mrs. Bokenfor.

By Norma Crozier

ATTENTION to all residents of Namao area! The ghosts and goblins this year will be collecting for UNICEF. Please be prepared to give when they call at your door this halloween. A UNICEF party will follow from 7 - 9 p.m. in the Community Hall where refreshments, fun and games will be held for all collectors.

Namao UCW's turkey supper was once again a very successful evening. Held in the school this year the ladies enjoyed the new kitchen facilities and with extra seating room in the dining room people didn't have to wait to be seated. The ladies of the UCW wish to extend their thanks to all who helped and who donated food for the dinner.

Winner of the Hoppette Club's Hostess Fry Pan was Herd McDonell.

Namao School and Community League's hard time dance will be held in the school on Saturday, October 27. Music by the Satellites. Tickets are still available from Johnny's Store, Sam's Garage or Vera Huber - 789-3849.

Vimy News

By Jeanne Laplante

Expressions of sympathy are extended to the Sabourin families upon the recent passing of Mrs. Marlene Sabourin.

Former residents of the area, Mr. and Mrs. P. E. Huot and Mr. and Mrs. Mike Hein spent some time in the area over the last week.

Mr. and Mrs. Jim Henderson spent the long weekend in Saskatchewan where they visited with friends.

A social evening was held at the Community Centre in honor of Mrs. Denise Fagnan and Garry Schreiner pending their wedding, in early November.

The Vimy Community League extends a warm welcome to attend the benefit social evening which will be held on November 16. The Vibrations will supply the entertainment. Advanced sales of tickets only and may be purchased from any board members.

Mr. and Mrs. Emile Barnard have now moved in their lovely new home.

Congratulations to the 3

Vimy students attending Lehigh School who won the academic awards at the graduation ceremonies last week. These students won cash awards donated by the school board. First was won by Bruce Kallal, second to Paulette Laplante and third to Daniel Gagne.

Mr. and Mrs. Jos Bilodeau are presently visiting with their sons Yvon and Robert at Des Moines, Iowa.

NAMAO

Many Namao residents are on the sick list this week and we all wish them better health soon. Mr. and Mrs. Edward Yeske are both patients in the Misericordia Hospital. Mrs. Ada Potter in Royal Alexandra Hospital and Mrs. Betty Crozier in Sturgeon General also hospitalized. Mrs. Llew Stewart is hospitalized.

Get well wishes to the Speers family, Bertha recovering from surgery in the Royal Alex. Jack who is still recuperating after his tangle with his combine and Don who broke his arm last week.

MORINVILLE MEMOS

By Flo McGinnis

Don't forget the annual meeting of the Morinville Community Sports Association this Monday, October 29 at 8 p.m. in the Recreation Centre. It's a very important meeting since the future of "Artificial Ice" is at stake.

Mrs. Knorr, treasurer of the Cubs and Scouts reports that the boys will hold a "Candle Drive" on Tuesday, November 6. The Cubs and Scouts will be canvassing the town from 7 - 9 p.m. with some very colourful candles ideal for Christmas gifts. The boys ask you to "Be sure and buy a candle" when they visit your house.

Also another note from Cubs and Scouts - they will be holding their annual "Nut Drive" later on, so watch for a further notice.

The Morinville Lions Figure Skating Club will take registration at 8 p.m. on Tuesday, Nov. 6 in the Recreation Centre. PARENTS MUST be in attendance to register their children. A

general meeting will follow with a guest speaker from the Alberta Recreational Skating Association. Any of the older skaters are invited to join their parents to hear this speaker.

Costume Fees this year are \$2 per child and Sports Association season tickets are priced at \$6 single and \$12 for a family ticket. Further information regarding figure skating in Morinville may be obtained by phoning

one of the following: Rena Hland 256-3179, Lois Mulligan 256-3048, or Doreen Streeter 256-2168.

Halloween is almost here again and the Recreation Board is planning another big party for the kids. So watch for posters and bulletins through the school. Your support and assistance will make Halloween '73 another memorable day for our youngsters.

Morinville wins cross country trophy

By Sylvia Flannigan

Morinville junior high won the cross-country trophy on Saturday, October 13 at Sanguo. Vanier junior girls won the trophy with 114 points and Vanier junior boys won with 120 points. In the junior boys two mile run, Morinville placings were: Bill Rogers - third; Jeff Mulligan - fourth, and Naim Butt - sixth. In the junior girls run Colleen Van Brahan placed third, Debbie Myers - fourth and Kim Rogers - fifth for Vanier.

In the 2 1/2 mile run the

senior high, junior boys team placed: 21st - Mike Hunter, 29th - Phillip Saldern and 30th - Robert Teller. The senior high, junior girls team placed: third, Linda Logan; fourth - Lorraine Ripel and ninth - Joanne Cormier. In the 1 1/2 mile run,

In the senior high open 4 mile run Marcel Mercier placed first and gained eight points for Morinville in a great run. Marcel Mercier, Linda Logan, Lorraine Ripel and Joanne Cormier made up part of the North Central senior team at the Provincials on Saturday, Oct. 20. Both the junior high girls and the junior high boys teams have eight members competing in the Cross-Country Provincials.

MORINVILLE HOSTS

VOLLEYBALL

Vanier High School hosted their first volleyball games of the season on Friday, Oct. 12. Vanier hosted boys

Stella Boissonnault Feted At Shower

By Flo McGinnis

Wednesday, October 3, a happy group of some 125 friends and relatives gathered in the Morinville Recreation Centre to shower Stella Boissonnault with good wishes.

Stella, youngest daughter of Mr. and Mrs. T. H. Boissonnault is the October bride-elect of Robert Lepage, son of Mrs. Cecile Lepage, all of Morinville.

The Centre was appropriately decorated for a bride-

dal shower as was the head table. Seated with Stella were her mother, Mrs. Aline Boissonnault; her future mother-in-law Mrs. Cecile Lepage; the three bridesmaids to be, Paulette Boissonnault, Mrs. Louise Boissonnault, and Priscille Houle. Special guest at the head table was Grandma Roy 85 years, the mother of Mrs. Cecile Lepage.

Hostesses for the evening were: the three bridesmaids, and Madeline Gravel.

Those in attendance enjoyed games of bingo and a draw for a door prize. Winners were: Jean Hebert, Christine Turgeon, Vivian Vervynk, Mrs. Proulx, Doreen Lesburg, Solange Bechand, Claudette Houle, Pauline Belange (Villeneuve) and Miss Skubieny who won the door prize.

Numerous gifts and a purse of money were presented to Stella, and a delicious cold lunch was served, prepared by Stella's mother and with the assistance of friends. Stella ably thanked

everyone for the lovely gifts and for the fine evening. She especially thanked the ladies who had prepared the fine fare and who did all the cleaning up following the shower.

Horse Hill Report

By Peggy Weazel

The Patricia UCW annual turkey supper and bazaar will be held Saturday, Nov. 3 in the school gym.

Sittings are at 5 p.m. - 6:15 p.m. and 7:30 p.m. Adults \$3, children under 12 - \$1.50 and preschoolers 75¢. Advance ticket sales from Mrs. Ruth Cessford 799-6413 or Mrs. Tom Mullock 422-4789.

Don't forget to have your papers and bottles ready for the Cubs on Saturday morning. If you won't be home please leave them outside and they will be picked up.

Morinville Library News

By J. R. Clark

It's almost that time of year again, when it is better to stay at home with a book than brave the weather. And there are many new books to choose from to suit all tastes and all ages. The new books for children are a delight. New novels for ad-

ults exciting. Non-fiction interesting and varied. New teen reading provocative and stimulating.

So many changes taking place in Morinville and the Library is no exception. Renovations are under way under the skillful hands of Mr. J. Bulger. The entrance

hall is being divided to give added space to the library. A new and much bigger counter for the librarian. New panelling, new paint, a wall up here, a wall down there. We hope you will like the result. Just one small inconvenience. The library will be closed on Tuesday evening, Oct. 23 and Tuesday evening Nov. 6.

Thibault District

ANNE KRYSKOW

At the organizational meeting of the Thibault School District, held Oct. 16, Anne Kryskow was elected chairman for the second year, and vice chairman is Alice Woytkiw. Date of meetings - 1st and 3rd Tuesday of every month at 7 p.m. in town office.

Committee - Personnel Guy St. Germain; building and maintenance - Roger Blackburn; A.S.T.A. Zone 2 - Yvonne Leduc, alternate chairman - Anne Kryskow. NCASAS Bargaining Chairman - Anne Kryskow, alternate vice chairman Alice Woytkiw; sub committee - Alexander Band - chairman Anne Kryskow and vice chairman Alice Woytkiw; school advisory - Guy St. Germaine and Roger Blackburn; joint superintendency North Central Catholic Schools - chairman Anne Kryskow alternate Roger Blackburn.

Chairman Kryskow will carry ballot at the ASTA convention to be held in Calgary Nov. 3 to 7.

REPORT FROM GIBBONS

By Ron Coley

The Gibbons Fire Department was called to a fire on the R. Keith farm across the North Saskatchewan from Fort Saskatchewan on Sunday, Oct. 14. When they arrived on the scene all that remained were metal pens of which once was a Hog barn. Over 300 hogs were destroyed in the blaze. Forty of these animals were to be shipped the next day. Damage was estimated at about \$50,000. Monday evening the Gibbons Fire Department was again called to the same farm when wind started smoldering grain and wood burning again.

John Kampus who farms five miles east of Gibbons had a pleasant surprise two weeks ago, one of his Holstein cows which was bred by a Holstein bull gave birth to two calves, one being black and white and the other being red and white.

All residents of the Gibbons area asked not to forget their donations to the Arena Complex. If you haven't been contacted yet get in touch with Earl Toane or John Kampus, or drop your donation off at the Royal Bank mobile in Gibbons during regular banking hours.

Roger Pelletier's sister, Aureole Ganley from Calgary was up visiting Roger and his family for a week recently.

The Last Roundup Senior Citizens Club held a successful tea bake and white elephant sale on Oct. 13. They would like to thank the

people who supported their project by attending and those outside the organization who donated to the Bake table and white elephant sale. Your kindness is deeply appreciated.

The continued wet weather is slowing up the work on the sewer construction, but hopes are still to complete the job before freeze-up.

The Gibbons Sunday School is holding its closing service for this term on Sunday, Oct. 28th at 10 a.m. All parents and friends are invited to attend. But please remember this is the day that daylight saving time changes.

Congratulations to Mr. and Mrs. Denis Moreau on the birth of their daughter, Angela Kim on October 2 1973, weight 7 lbs. 3 oz.

VILLAGE OF GIBBONS HAS NEW MAYOR

The council of the village held their organizational meeting in the village office

on Wednesday, Oct. 7, 1973. Demont Loblick was appointed mayor while Spencer Holmes is now the deputy mayor. The path of office for mayor was signed by Demont Loblick. Meetings will be held as usual the second Wednesday of each month at 7 o'clock p.m. Banning will be done at the Royal Bank as at present. Permission has been requested from the minister to continue the remainder of the term with four councillors, following the resignation of Mrs. G. Morin, rather than have the extra expense of an election at this time.

M.D. COUNCIL BRIEFS

All members of the MD of Sturgeon Council were present for the October 11 and 12 regular meeting. In addition to Reeve Walter Van de Walle and councillors Crozier, Klutho, Jernan, Flynn, Berry and Courchesne, in attendance were secretary-treasurer Alphonse Nobert, assistant Gil Boddez, Robert Stack, public works and John McDonald, Sturgeon School representative.

The MD Council received a letter from S. Walker, president of the West Sturgeon Agricultural Society, requesting council's support for a \$90,000 loan for the construction of an arena in Calahoo. After considerable discussion, council agreed to support the application and draft a loan agreement.

The need of two poundkeepers, one in the western part of the MD of Sturgeon and the other in the eastern township was discussed quite thoroughly by all members of council. A motion was approved whereby council will pay \$500 per year to each

poundkeeper, over and above the current fee paid to operators of such facilities. The motion also included a proviso that said positions be advertised on an open competition basis.

Walter Frank, MD of Sturgeon Weed Inspector recommended that council purchase a 12 ft. heavy duty disc and mower to be used in weed control work. Mr. Frank also requested a new sprayer. The recommendations were tabled pending a report from the Municipal Fieldman.

Regarding purchases of public works equipment, council studied several bids submitted by heavy-duty machine suppliers and after due consideration approved the purchase of the following: One Kelley-Ryan Wheel Motor Grader Blade Control at \$2,750. Also, two Champion Motor Graders with scarifiers Model D-900 at a net price of \$49,938 including trade-ins.

Council discussed the possibility of initiating a Regional Water Board with the

County of Parkland, Town of St. Albert, County of Leduc and MD of Sturgeon. All members of council agreed to enter into discussions with the other municipalities and entertain a feasibility study to be carried out by the Provincial Government.

The MD of Sturgeon Council registered opposition to the City of Edmonton's proposed boundary changes as outlined in a brief submitted to the Department of Municipal Affairs. Council also passed a motion that a letter be sent to the Edmonton Regional Planning Commission requesting that the proposed boundary changes be referred to the Alternate Growth Study for their consideration and comments.

The motion continued in text to urge the Minister of Municipal Affairs delay any action on the City of Edmonton proposal until the Alternate Growth Study be completed. Copies of the letter to the E.R.F.C. be circulated to Messrs: Flynn, Russell and Jamison.

Calahoo Tea

By Liz McLeod

The Stoney Plain-Lac Ste. Anne constituency's handicraft tea and display can go into the annals as a successful venture for Calahoo WI who sponsored it. There wasn't really enough room for the displays in the church basement so the tea was held in the Gazebo.

Pat Doerksen and Linda McPhee, home economists gave many favorable comments and some constructive criticisms on articles shown.

Sewing seems to be the order of the day keeping Pat

busy while Linda handles the other crafts.

Talented ladies entered in most of the 46 classes and the stuffed toys showed great imagination.

Many compliments were received for the attractive arrangement of the displays and the pleasant atmosphere with decorated tables for the tea, where one could renew friendships with members of other branches.

Local residents turned out in good number, and with 12 other branches in District 11 taking part, more than 90 people, including some gen-

tleman enjoyed the day.

Winterburn WI brought "Light up for Mental Health" candles which are being sold to help mental health. Winterburn also won the plaque for the most points as a group in the handicraft.

Calahoo WI held the draw on the StillCraft Rug and it stays in Calahoo, lucky recipient being Dolly Majeau.

Stoney Plain made a quilt draw, also it stays in Stoney Plain, with Stella Hyward the winner.

The winning were Prov. Sec. Treasurer, Kay McMillan, 2nd Prov. Vice Pres, Elizabeth Lefsrud and a past District 11 Director, Nellie Whitson, all from Edmonton.

Sturgeon Regional Rec.

CANOE CONSTRUCTION

Have you ever wanted a canoe and found the prices were much too high?

The Sturgeon Regional Recreation Council wants to take this exorbitant cost away from owning a canoe by giving you the opportunity to build one at approximately half the retail cost. This canoe would be made out of fibreglass and would take the average person approximately 48 hours to build. Working with a partner, it is possible for you to complete a 16 foot canoe in one weekend at a cost of \$85 to

\$130. The Sturgeon Regional Recreation Council will supply the canoe mold and instructions. You must supply the manpower.

Arrangements for the materials and supplies and the facility will be finalized with the sponsoring community depending upon the number of canoes to be built. Cost of materials and supplies fluctuates with the number of canoes built. If you are interested contact Laurent Colombe at the Sturgeon Regional Recreation department 424-6276 or 256-3323.

Goldenagers

By Liz McLeod

A most pleasant evening was spent on October 10 in the Gazebo when 33 members of Calahoo's Golden Age Club gathered for visiting, fun and games.

Several types of card games were played. Just what each table preferred. The shuffleboard is always enjoyed by many, and after a certain time all join in playing bingo before lunch is served.

Order was restored so President Dina Groppe could ask the group what they thought of having a supper in the future.

It was decided to hold the Nov. 28 meeting in the afternoon and have supper at 5 p.m. for members only.

Also there was an invitation received from Stoney Plain's Golden Age group for Oct. 23 in the afternoon. The weather will determine how many will be able to attend.

Mr. Henry Baron, president of Stoney Plain's group wishes to know how many will be present as they will hold the meet in the community hall this day as Oneway's club are also invited.

It's so nice to hear that Mr. Wilfred Majeau of Cal-

ahoo who was in Stoney Plain Hospital came home on the 11th of October.

The next meeting of Calahoo's group will be on Oct. 24 at 8 p.m.

Visitors are always welcome.

Vimy 4H Needles Elect Officers

By Roseanne Dubois

The first meeting of the Vimy Needles 4H Sewing Club was held on Sept. 12, with 34 members present. The new executive was chosen as follows: President, Beverly Brown; 1st vice-pres., Lucy De Champlain; 2nd vice-pres., Marie Louise Storch; secretary, Kar-

en Wilson; treasurer, Laurie Patry; reporter, Roseanne Dubois; librarian - Carol Storch; fabric study committee, Lucy Storch; Colette Huet and Carmen L'Heureux; year book committee, Marie Louise Storch; Lucille Ringuette, Jocelyne De Champlain and Marilynne

Wilson, Fund raising committee, Jeanine Tineat; Joyce Nyal, Mrs. Jean Yaremko and Mrs. Cora De Champlain, decorating committee, Mrs. Lillian Courseaux, Mrs. Georgietta L'Heureux, Celine Dubois, and Donna Jai; social committee, Mrs. Maxine Bernard, Shirley Bernard, Elaine Huet and Nicole Courseaux; lunch committee, Norma Nyal, Sharon Fenske, Mrs. Fie and Mrs. Ann Fenske; float committee, Mary Jean Yaremko, Jocelyne Fortier, Marie Louise Storch and Lucille Ringuette; leader - Mrs. Ester Brown; assistant leaders, Marie Louise Fortier, Mrs. Gloria Dubois, Mrs. Noelle Huet and Mrs. Lillian Courseaux; parent advisors Mrs. Cora De Champlain, Mrs. Maxine Bernard, Mrs. Ann Fenske, Mrs. Georgietta L'Heureux and Mrs. Jean Yaremko.

The Sept. 29 meeting started with O'Canada and the 4H pledge. Roll call was answered by "my favorite style." Members decided to have a Christmas raffle. Speeches were heard from the members who won trips. Then the girls divided into groups to get better acquainted. Before adjourning, members found out what they were to have done for the next meeting.

Our Half Acre

The Real Health Foods

(This is the last in our series of columns on health foods)

The health foods you buy in a health food store or in the health food section of a grocery store are NOT proven to be nutritionally superior to the foods you normally choose for your family from your local grocery store or supermarket. Sound nutrition involves the selection of a variety of foods which provide an adequate intake of all essential nutrients. Health foods are NOT HARMFUL, and can add flavour and variety to your family meals, but they should not be used exclusively to the point of restricting the use of a wide variety of other foods.

In practice, a selection of a wide variety of food according to Canada's Food Guide, is the best method known to ensure adequate nutrition for the Canadian family.

CANADA'S FOOD GUIDE:

MILK: Children 2 1/2 cups
Adolescents 4 cups
Adults 1 1/2 cups
Expectant and Nursing Mothers 4 cups

FRUIT: Two servings of fruit or juice including a satisfactory source of Vitamin C such as oranges, tomatoes, vitaminized apple juice.

VEGETABLES: One serving of potatoes, Two servings of other vegetables, preferably yellow or green and often raw.

BREAD AND CEREALS: Bread (with butter or fortified margarine). One serving of whole grain cereal.
MEAT AND FISH: One serving of meat, fish or poultry. Eat liver occasionally. Eggs, cheese, dried peas or beans may be used in place of meat. In addition, eggs and cheese at least three times a week.

VITAMIN D: 400 International Units for all growing persons, expectant and nursing mothers.

If you follow Canada's Food Guide, you will be sure to eat a sufficient quantity of the 35 or so nutrients needed for normal healthy living. You don't have to remember them all, because if you eat enough of the 10 "key" nutrients, the other 25 or so will be present in adequate amounts as well. Following is a list of key nutrients, some reasons why each is needed, and foods that are good sources of each nutrient.

Vitamins, Proteins, Calcium

1. NUTRIENT:

VITAMIN A:

REASONS NEEDED:

Promotes growth. Helps eyes adjust to dim lights. Keeps skin healthy. Helps keep lining of mouth, nose, throat and digestive tract healthy and resistant to infection.

FOOD SOURCES:

Liver, dark green and deep yellow vegetables. Butter; fortified margarine.

2. VITAMIN B (Thiamine)

REASONS NEEDED:

*Helps body cells obtain energy from food. *Helps keep nerves in healthy condition. *Promotes good appetite and digestion.

FOOD SOURCES:

Lean pork, heart, kidney liver; dried beans and peas, whole grain and enriched cereals and breads.

3. VITAMIN B2 (Riboflavin)

REASONS NEEDED:

*Helps cells use oxygen to release energy from food. *Helps keep eyes healthy. *Helps keep skin around mouth and nose smooth.

FOOD SOURCES:

Milk; eggs; liver, heart, kidney; spinach.

4. NIACIN:

REASONS NEEDED:

*Helps the cells of the body use oxygen to produce energy. *Helps maintain health of skin, tongue, digestive tract, nervous system.

FOOD SOURCES:

Liver, lean meat, poultry, fish, peanuts, beans and peas; whole grain and enriched cereals and breads.

5. VITAMIN C (ascorbic acid)

REASONS NEEDED:

*Helps hold body cells together and strengthens walls of blood cells. *Helps in healing wounds and restoring infection. *Helps build bones and teeth.

FOOD SOURCES:

Citrus fruits and their juices; vitaminized apple juice, tomatoes; cabbage; cantaloupe; raspberries; strawberries.

6. VITAMIN D (The "sunshine vitamin")

REASONS NEEDED:

*Helps body use calcium and phosphorus to build strong bones and teeth. *Very important during growth, pregnancy, breastfeeding.

FOOD SOURCES:

Seafood; margarine; fortified milk; Direct sunshine produces Vitamin D from cholesterol in the skin.

7. PROTEIN:

REASONS NEEDED:

*Helps with growth and repair of body tissues. *Forms an important part of enzymes, hormones, and body fluids. *Helps form antibodies to fight infection. *Supplies energy.

FOOD SOURCES:

Best sources: animal protein from lean meat, poultry, fish, eggs, milk, cheese. Next best sources: vegetable protein from dried peas, beans, nuts, lower quality plant protein from cereals, bread, vegetables, fruits.

8. CALCIUM:

REASONS NEEDED:

*Builds bones and teeth. *Helps blood to clot. *Helps nerves, muscles, heart to function properly.

FOOD SOURCES:

Milk, cheese, ice cream, leafy vegetables.

9. IRON:

REASONS NEEDED:

*Combines with protein to make hemoglobin, the red substance of blood which carries oxygen from the lungs to body tissues. *Helps cells use oxygen.

FOOD SOURCES:

Liver, kidney, heart, lean meat, oysters, egg yolks, dry beans and peas; dark green leafy vegetables; dried fruit; whole grain and enriched bread and cereals (eg. farina) molasses.

10. IODINE:

REASONS NEEDED:

*Helps the thyroid gland work properly.

FOOD SOURCES:

Iodized salt; seafoods.

If you choose well balanced meals which include the above foods, you will not need dietary supplements in the form of vitamin pills or tonics. In fact, it is pleasanter, cheaper, and safer to eat your vitamins and minerals in foods rather than in medicinal preparations. If you follow Canada's Food Guide, which was drawn up by the experts of the Canadian Council on Nutrition, you can be sure your meals are "first class".

Then, to be sure your family will enjoy the nutritious meals you prepare, make meals interesting by planning variety in texture, colour, shape, flavour, and temperature. Some sample menus:

BREAKFAST

Orange Juice	Prepared cereal
Poached Eggs	with
	Fresh Fruit
Buttered Toast	Bacon Toast
Milk	Coffee

LUNCH

Vegetable Soup	Cold Cuts
Cheese Sandwich	Potato Salad
Pickles	Celery
Fresh Fruit	Radishes
Cookies	Sherbert or Ice Cream
Milk	Cake
	Milk
	Coffee

SUPPER

Baked Veal Cutlets	Tomato Juice
Mashed Potatoes	Fried Liver and Onions
Carrots	Scalloped Potatoes
Chocolate Pudding	Green Beans
Milk	Jellied Fruit
	Tea

Tree Deadline

By Wally Klatt, District Agriculturist

Farmers and acreage holders are reminded that the deadline for tree applications to reach this office is November 1, 1973.

If you wish to obtain trees for spring planting, why not fill in that application, and mail it today and avoid disappointment?

Grassland Incentive

By Wally Klatt, District Agriculturist

Applications are required from those acreages selected to forage in 1973 on land that was in summerfallow or production prior to seeding to forage. These applications can be obtained and completed, by those who qualify at the Frontiersman Hotel in Morinville on Nov. 6, 7 and 8 from 8 a.m. to 6 p.m.

Federal government personnel will be in attendance to assist with the applications.

Four-week Course

Our article regarding the above course appeared in the October 10 issue of this page.

This course will be of four weeks duration rather than eight weeks as stated in the said article.

The bank robber shoved a note across to the teller which read: "Put the money in a bag, suck, and don't make a move."

The teller pushed back another note: "Straighten your tie, stupid. They're taking your picture."
